

What's On

Carclew School Holiday Program

The next generation of budding artists and photographers will have a chance to fine-tune their skills over the Christmas holidays as part of **Carclew Youth Arts' summer school holiday program**.

Mexican Throwdown, The Green Purse, Aerosol Artistry, Digital Music Production, and Animation Clay Station are just some of the fun sessions on offer as part of the popular holiday program which will run from **Tuesday, January 18 to Friday, January 28**.

Individual workshop-style sessions are scheduled between 10am – 4pm on each day, with some workshops offered over 2 and 3 days.

"Every school holidays we put together a fun program of activities to entertain, inspire and encourage artistic talent in young South Australians," said Leah Fort, Carclew's school holiday program officer.

"We offer a range of creative workshops that are designed to appeal specifically to young people between the ages of 5 and 18.

"These holidays we're excited to introduce a number of new sessions including *Abstract Jewellery Creations* and *Performance of Puppets*. This full day workshop provides children the opportunity to create their own abstract hand puppets and showcase them with a performance at the end of the day.

"Places are filling quickly though - so if you want to take part we suggest you book a place as soon as possible and also take advantage of the special offers for multiple bookings."

To register your interest, or for more information about Carclew's school holiday program visit www.carclew.com.au or contact the Carclew school holiday program office on 8267 3958.
