Carclew School Holiday Program

A new generation of budding artists, photographers, performers and filmmakers will have a chance to fine-tune their skills over the October holidays as part of **Carclew Youth Arts' spring school holiday program**.

Cheeky Monkey Masks and Tails, African Recycled Art, Still Life Drawing, The Pin Hole Camera Project, and Pom Pom Marionettes are just some of the fun sessions on offer as part of the popular holiday program which will run from **Tuesday 4 October to Friday 14 October**.

Individual workshop-style sessions are scheduled between 9am – 4pm on each day, with some workshops offered over 3 days.

“Every school holidays we put together a fun and different program of activities to entertain, inspire and encourage artistic talent in young South Australians,” said Leah Fort, Carclew’s school holiday program coordinator.

“We offer a range of creative workshops that are designed to appeal specifically to young people between the ages of 5 and 15.

“These holidays we’re thrilled to introduce several exciting new sessions including a *Circus Skills Workshop*. Tailored for ages 8 – 15, this workshop teaches the art of circus, developing skills in clowning, juggling, balancing, plate spinning and much more!”

“*Showcase Five returns* offering individual hourly workshops that encompass a wide range of artistic experiences for children 5-7 years. Choose one or choose them all!”

Also making a return is *Olleywood Studios Filmmaking*. Designed for up and coming directors, actors and writers aged 8-12 years, this three-day hands on learning experience will put new skills into practice, ultimately creating a short film.

Leah said “Places fill quickly, so if you want to take part we suggest you book a place as soon as possible and also take advantage of the special offer for multiple bookings.”
