**Carclew Incorporated**  
**Notes to the financial statements for the year ended 30 June 2016**

**1. Statement of Significant Accounting Policies**

The Association is domiciled in Australia

This financial report was authorised for issue by the directors on .....<sup>26<sup>th</sup></sup> August 2016

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act SA 1985. The Board has determined that the association is not a reporting entity.

The financial report has been prepared on an accrual basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**(a) Income Tax**

The Association is exempt from Income Tax, pursuant to the Income Tax Assessment Act.

**(b) Plant and Equipment**

*Basis of measurement of carrying amount*

Each class of property, plant and equipment is carried at cost less accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

*Depreciation*

The depreciable amount of all fixed assets are depreciated on a diminishing value basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<b>Class of Fixed Asset</b>	<b>Depreciation rate</b>
Office Equipment	25% - 33%
Theatre Equipment	25% - 40%
Motor Vehicles	20%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

**(c) Leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the lease term.

**Carclew Incorporated**  
**Notes to the financial statements for the year ended 30 June 2016**

**1. Statement of Significant Accounting Policies (continued)**

**(d) Impairment of Assets**

At each reporting date, the association reviews the carrying amounts of all assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

**(e) Employee Benefits**

Employee benefits comprise wages and salaries, annual, long-service and non-accumulating sick leave, and contribution to superannuation plans.

Liabilities for wages and salaries expected to be settled within 12 months of balance date are recognised in other payables in respect of employees' services up to reporting date. Liabilities for annual leave in respect of employees' services up to reporting date which are expected to be settled within 12 months of balance date are recognised in the provision for annual leave. Both liabilities are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognised when leave is taken and are measured at the rates paid or payable.

The provision for employee entitlements to long service leave represents the amount which the Association has a present obligation to pay resulting from employees with more than six years of service provided up to the balance date. The provision for Long Service Leave has been calculated at nominal amounts based on current wage and salary rates and includes related on-costs.

**(f) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**(g) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of three months or less.

**(h) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

**(i) Revenue Recognition**

*Grant Income*

Grant revenue is recognised in the income statement when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the balance sheet as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

**Carclew Incorporated**  
**Notes to the financial statements for the year ended 30 June 2016**

**1. Statement of Significant Accounting Policies (continued)**

*Donations and bequests*

General donations and bequests are recognised as revenue when received. Donations to specific projects are treated as grants in advance and recognised as revenue when the projects are delivered and project expenses incurred.

*Interest Revenue*

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

*Revenue from sale of goods and rendering of services*

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of a service is recognised upon the delivery of the service to customers.

*Treatment of Goods and Services Tax (GST)*

All revenue is stated net of the amount of goods and services tax (GST)

**(j) Trade creditors and other payables**

Trade payables and other payables represent liabilities for goods and services provided to the association prior to the end of the financial year that are unpaid. These amounts are usually settled in 30 days. The notional amount of the creditors and other payables is deemed to reflect fair value.

**(k) Trade and other receivables**

Trade receivables are recognised and carried at original invoice amount less an allowance for uncollectable amounts. Normal terms of settlement are 30 days. The notional amount of the receivable is deemed to reflect fair value.

An allowance for doubtful debts is made when there is objective evidence that the company will not be able to collect the debts. Bad debts are written off when identified.

**(a) Carclew Board Grants & Disbursements**

During the year, Carclew Inc. administered on behalf of Carclew Board, the disbursement of grants from the SA Government (Arts South Australia), to various Community Arts Organisations and individual emerging artists.

For the year ended 30 June 2016, the amounts disbursed have been included as grant revenue and expenses on the operating accounts, as the Board now has control how the grants are disbursed.

Prior to the year ended 30 June 2016 the amounts received and disbursed have not been included in the operating accounts of the Association, but are now included for the clarity of reporting. The balance of funds remaining undistributed is included in the Statement of Financial Position.

The total amounts received and distributed in respect of the funding year ended 30 June 2016 and 2015, are as follows:

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
CARCLEW INCORPORATED**

We have audited the accompanying financial report, being a special purpose financial report, of Carclew Incorporated, which comprises the statement of financial position as at 30 June 2016, and the statement of comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, a summary of significant accounting policies, other explanatory notes and the statement by the board of directors on the annual statement giving a true and fair view of the financial position and performance of the association.

**Board's Responsibility for the Financial Report**

The board of the association is responsible for the preparation and fair presentation of the financial report in accordance with the accounting policies described in Note 1 of the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporation Act (SA) and are appropriate to meet the needs of the members. The board's responsibility also includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, and described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards, which require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

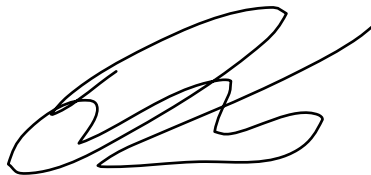

**Auditor's opinion**

In our opinion, the financial report presents fairly, in all material respects, the financial position of Carclew Incorporated as of 30 June 2016 and of its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporations Act (SA).

**Basis of Accounting and Restriction on Distribution**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Carclew Incorporated to meet the requirements of the Associations Incorporations Act (SA). As a result, the financial report may not be suitable for another purpose.
