## Carclew Giving Circle

Carclew has launched an annual Giving Circle that invites donations in support of our career-defining Fellowships program.

**And with the support of Creative Partnerships Australia's Plus1 initiative, until 31 March 2018 your donation will be matched dollar for dollar, effectively doubling your contribution.**

Carclew Fellowships allow young creatives working in any art form, up to \$12,000 to undertake a significant and self-designed program of professional development. Fellowship recipients have attended international summer schools, participated in masterclasses, residencies, internships and mentorships, or sought

exposure to innovation and cutting-edge ideas nationally and internationally.

In addition to directly supporting the career development of South Australia's finest young artists, Carclew's annual Giving Circle program provides an exclusive opportunity for donors to form deeper relationships with tomorrow's art stars.

**All Giving Circle donors will receive at least two invitations to intimate VIP events with entertainment by Fellowship alumni who will share their personal experiences of Carclew support.**

Giving Circle donors will also be recognised on the Carclew website and other Fellowships materials.

Carclew is a not-for-profit organisation with Deductible Gift Recipient (DGR) status. **100% of your Giving Circle donation is tax deductible.**
