CELLOGRAFF

Come explore the medium of aerosol art and the many effects created by spray cans! Working within the environment that surrounds you, design and create a graffiti work as a group, whilst also creating your own concept and solo piece to take home.

Artist: Nish Cash

SHADOW PUPPETS

Ever seen an odd shadow and imagined the creature it belongs to, only to find it's just a few toys with a sock on top? Let that imagination run the show, as we create unexpected shadow puppet creatures, from the familiar to the strange.

DIORAMAS

Turn a simple box into a magical scene. Using images from old magazines and books, craft materials and an idea from your imagination, we will transform the box into another place. Explore perspective, background, foreground and a range of simple techniques to transform your box into a fantastical little escape.

Artist: Ray Harris

ALL ABOUT ME SCREENPRINTING

Create a stencil design that reflects what you're all about. This could be a self-portrait, your favourite food or sport, prints of your own hands and feet. Then print your design onto your very own, personalised tote bag to take home.

Artist: Kerri-Ann Wright

WEEK 2

Monday 9 October

Ages: 7 - 12

LOG IN TO VLOG AND BLOG

Leave your own mark in the digital world with blogging and vlogging. By making, editing and using words, pictures and video footage, you will produce your very own blog or vlog to add to the Carclew Chronicles, as well as taking away skills to help you create more content at home.

Artist: Libby Parker

NOTE: iPads required. BYO or \$10 hire.

USE YOUR VOICES

Did you know that there is music in everything around you? Even in the very words you speak! Come along and enjoy this highly interactive musical experience where you will learn how to beatbox like a pro and create your own rap music!

INCOGNITO MASKS

Are you turning up to parties wearing the same thing as your bestie? Solution: create a new identity with some nifty mask making. Using papier mache, found objects and painting techniques, participants will make a individual costume piece and conjure a never before seen character.

Artist: Nancy Downes

Ages: 10 - 17

INTRO TO ANIMATION

Working in pairs, use different forms of animation like stop motion, 2D animation and pixilation to make your own short film! Learn how to create a walk cycle, how to use timing to make your animations look more realistic, and how to create simple 2D FX animation such as lasers and explosions. Take away your works on a USB so you can share your creations.
