## How to apply

Please [complete this online form](#).

## COVID-19 considerations

Applicants must ensure that their professional development proposal is achievable and realistic in the current COVID-19 pandemic environment. This includes social distancing, hygiene measures, and especially in relation to travel restrictions. If evidence of confirmation for travel bookings cannot be provided by the application closing date, the applicants proposal should include an alternative plan. For the latest up to date government COVID-19 information [click here](#).

## Assessment criteria

Applications will be assessed by an independent Artistic Peer Advisory Committee (APAC). APAC will make their assessment based on the application being able to demonstrate the following:

- A solid professional development and/or training outcome that will build on the current skills of the applicant.
- Where a course of study is proposed that there is evidence of the applicant's acceptance from the study institution.
- That the organisation or artist/mentor has the ability required to support skills development of the applicant to achieve the outcomes proposed.
- Outstanding motivation, talent and potential in the applicant's art practice.
- Commitment to pursuing high standards of artistic achievement.
- The funding request is appropriate for the proposal.
- How the Fellowship will further develop the applicant's practice as a South Australian creative practitioner.
