For the next question you'll need to look up your remoteness classification.

1. [Right click on this link](#) and open in a new window (it is easier on a desktop computer)
2. In the right hand menu under SEARCH THE MAP, enter your full address
3. Check the MODIFIED MONASH MODEL box under the heading "Department of Health - custom remoteness classification"
4. Take note of the MM number code that matches your location
5. Choose this code from the options in the below question

If you cannot use a desktop or get it to work, don't panic, we will fill this in for you :)

Modified Monash Number
