

## Vorn Doolette returns to Off the Couch!

With a new album ready for release, South Australian singer songwriter **Vorn Doolette** is set to headline Carclew Youth Arts' *Off the Couch* gig at **The Promethean** on **Friday 3 May**.

Carclew's *Off the Couch* is a series of live music events and three of the state's best emerging acts **Sitara**, **The Royal Gala** and **James Abberley** will take to the stage to support **Vorn Doolette**.

"I came through the *Off the Couch* program in 2006 so I'm really excited to be involved once again," said Vorn Doolette.

Live music fans have already had the opportunity to see some of South Australia's best up and coming musicians and bands at free, all ages, live music shows held around Adelaide City.

"*Off the Couch* enables musicians to start building a profile for themselves in the highly competitive world of popular music," said *Off the Couch* coordinator Tara Lynch.

"It's really exciting to have **Vorn Doolette** involved as a headliner. He is an example of someone who has established a great profile in the local and national music scenes and I'm sure he will have some valuable advice to pass on to other acts on the bill".

*Off the Couch* is a program that is run by young people for young people with the assistance of industry professionals. *Off the Couch* nurtures young artists and emerging event coordinators in the early stages of career development by providing access to Adelaide's best live music venues and industry networks as well as opportunities for 'behind the scenes' skills development.

Since 1995 *Off the Couch* has provided performance and development opportunities for 2,500 young and emerging musicians and event coordinators, reaching a total audience of more than 65,000 live music enthusiasts.
