

Join Carclew at WOMAD – artists wanted for workshops

Carclew Youth Arts is searching for enthusiastic artists with exciting workshop ideas to be part of the Carclew team at WOMADelaide. Expressions of interest are now open for artists wishing to facilitate a workshop at Adelaide's most vibrant world music, arts and dance festival.

In March 2011, Carclew will deliver a series of arts and craft workshops within the KidZone area of the WOMADelaide Festival. The workshops will be 45 minutes in duration and will run for 3 days from **Saturday 12 March to Monday 14 March**.

Carclew are committed to providing vibrant and culturally diverse creative experiences for young people aged 5-16 years. Each year at WOMADelaide, Carclew offers an exciting program of creative activities for KidZone, which aim to encourage artistic talent and global understanding.

"Past workshops such as Bandhani tie-dye, Korean Fans and African Masks have proven to be extremely popular with children and adults alike" said Lee-Ann Buckskin, Program Manager.

Every March, Carclew engages new artists to facilitate fun, inspiring and culturally diverse workshops, which challenge children to think 'outside the square'.

"The KidZone workshops are a rare opportunity for South Australian artists to foster, develop and nourish artistic expression in young people," said Lee-Ann.

Expressions of interest to take part in the Carclew Youth Arts KidZone workshops to be held in March 2011 are now being accepted.

Expressions of interest including a brief overview of the proposed workshop, can be emailed to lfort@carclew.org.au and must be received by **no later than 5pm Friday, December 17**.
